Please send the following message to your Representative --

**I urge you to co-sponsor and actively support HR 6798, introduced by Representative John Kagen on August 1, 2008.**

**HR 6798 would amend the title 38 US Code Section 1116 list of diseases already presumed caused by exposure to Agent Orange in Viet Nam between January 9, 1972, and May 7, 1975.**

**Specifically, HR would the list of diseases to include the presumptive service connection for certain gastro-intestinal cancers occurring in these veterans.**

**As you are aware, you have many are many Vietnam veterans in your district. Many of them already have the diseases presumed caused by Agent Orange.**

**Thank you for you support.**
